About TRACE

We are **recognized globally** for establishing anti-bribery standards and **trusted by thousands** of companies around the world

Over 1 million individuals across **160 countries** have completed our compliance training

We help companies **understand** and **implement** best practices

Our shared-cost model makes it **easier** and **less expensive** to maintain a dynamic compliance program

Access to practical tools, coupled with community, **sets us apart** from other organizations

I think TRACE is a great compliance organization and I'm always favorably impressed with every interaction I have with the TRACE team. The quality of support and resources we receive from TRACE is exceptional and the TRACE Forum is among the best trainings I've ever attended.

Steven White

*Manager of Investigations (North America),
Xerox Corporate Security*

Why Join TRACE?

TRACE membership helps companies conduct business ethically while remaining competitive. Joining TRACE provides a low-cost alternative to increasingly expensive and time-consuming corporate compliance.

Reduces the time and continuous labor associated with compliance

Offers community and benchmarking for advancing compliance standards

Allows you to easily deploy, track and audit compliance training for employees and third parties

Provides Resource Center access to keep your team informed of the latest best practices, enforcement trends and regulatory changes

Helps you develop and maintain a dynamic compliance program

Demonstrates your organization's commitment to commercial transparency

Joining TRACE

TRACE members form the TRACE Compliance Community, a global network of companies that are committed to advancing commercial transparency worldwide, and willing to share and establish best practices. All TRACE members commit to a high level of transparency in their commercial transactions.

Members pay an annual membership fee and may extend benefits without limit to all employees, as well as to first-tier wholly and majority-owned subsidiaries.

TRACE offers two corporate membership options: **Standard** and **Enterprise**.

TRACE is a non-profit international business association dedicated to anti-bribery, compliance and good governance. Founded in 2001 to make it easier and less expensive to navigate and mitigate business bribery risk, TRACE is credited with establishing anti-bribery standards that have been adopted worldwide. Driven by the needs of its members, TRACE is continuously developing tools and resources that power compliance programs. TRACE is headquartered in the United States and registered in Canada, with a presence on four continents.
